

Alun-alun kidul [ALKID]
Southern City Square

The Crews took a picture in Alkid. It was a great moment

An Axis from Merapi Volcano-Jogja Kembali Monument-Yogyakarta Palace-Southern city Square-Kandang Menjangan-Parangtritis. The axis divided yogyakarta into two parts.

Two Beringin trees, which symbolizes the strength of palace life and the protection for the people

Beringin trees visible from the south, the building visible behind the trees is Sasono Hinggil

Beringin tree to the left form north

Beringin tree to the right from north

**Sasono Hinggil is a place of meeting for the officials of Keraton Yogyakarta.
And it was as a place where the soldier of Keraton trained for the battle.**

someone who is trying to play an old games, well-known with “Masangin”. Masangin is a game that the player has to passing through in the middle of Beringin trees and those people who can do that well, that means they have a good instinct.

Player of Masangin

Finish

The correct direction to play the game

The wrong way to play a masangin

Start

Someone is going to try pass through the trees

An Example of Public services for Sport and people around of Yogyakarta could use it all the time when they need it.

A student of a school in Yogyakarta trying to use Sport Public Service

Turn the body! It is also the Sport Public Services which provides to support the interior of Southern City Square

Sit-up Place, make your body healthier

“Bakwan Kawi”, such a like a hot meals
around of Alkid

Crafts Batik, which the most famous goods from Yogyakarta

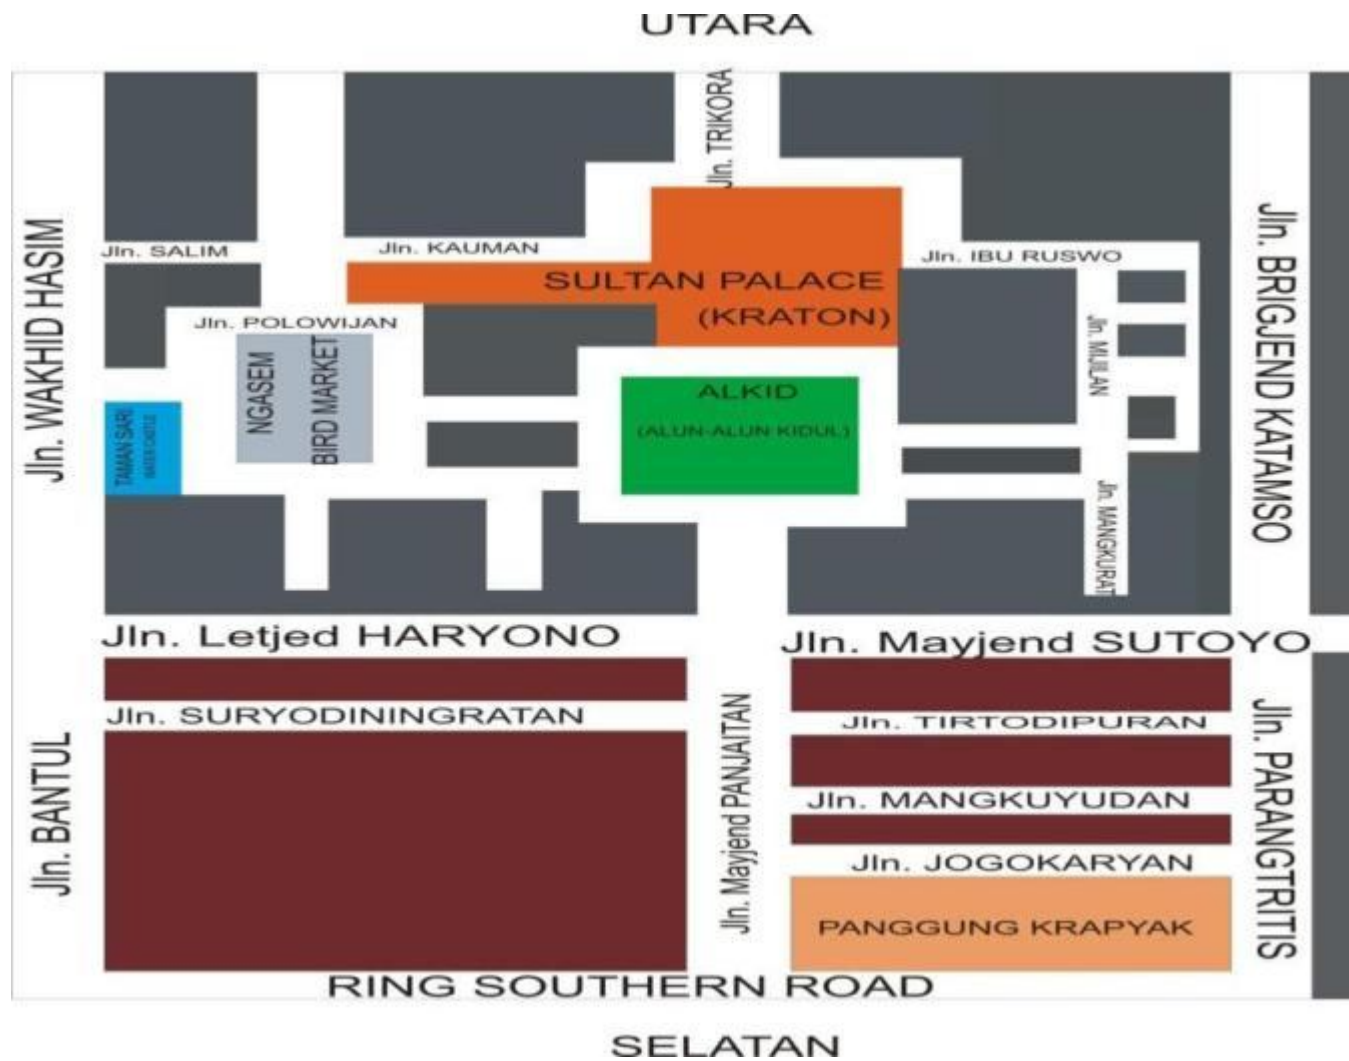

The Royal Elephants of Yogyakarta Palace

“Becak” or Pedicab is a common transportation in Yogyakarta. And it has culture value

“Jamu” or herbal medicine is an old recipe of medical treatment which hereditarily since a long time ago. And it becomes one of the commodities of trade in Yogyakarta.

The Map of Alkid and around of it.
